

Memorial Day Flag Placement 2025

This page contains information and resources for the annual Memorial Day Flag Placement at Marietta National Cemetery on Saturday, May 24, 2025.

Event Overview and Purpose

In prior years, Scouting organizations in our community place flags at over 18,000 graves of U. S. Military veterans in Marietta National Cemetery. This service project is carried out on the Saturday before Memorial Day. The purpose is help prepare the cemetery for the Memorial Day ceremony that takes place on Monday. In addition to community service, it is an opportunity for youth and adults to learn about and appreciate the service and sacrifice of those who have given their lives in service to their Country. One is also exposed to the rich history of the Marietta area.

The event originated in the former Cobb District of the Atlanta Area Council Boy Scouts of America in cooperation with the National Memorial Day Association of Georgia. Since the 1990's all Scouting organizations are welcome to participate. The Marietta National Cemetery is in Foothills District of the Atlanta Area Council. Volunteers from Foothills District work with the National Memorial Day Association of Georgia in organizing and hosting the event.

Otherwise, we ask that all flags be placed by youth members simply because there are so many youth participating that we want them to have the opportunity to place flags.

How will my Scouts know what to do?

During the opening program, instructions and a demonstration will be given that Scouts will know the proper procedure and etiquette for placing the flags.

What is the proper uniform for this event?

Every Scout and adult leader should be dressed in proper dress uniform for their organization. For Scouts BSA and Cub Scouts this is the Field Uniform ("Class A"). For Girl Scouts, the Girl Scout vest should be worn.

What if it rains?

If there is inclement weather, the event will be cancelled. If that were to happen, flags would be placed by cemetery staff and other volunteers prior to Monday's Memorial Day ceremony.
